Rally Report: Thursday afternoon we all arrived on time and got together for afternoon tea. Welcome back to the travelers Rick, Mim, Alan and Sandra, who are ready to go home again after their long trip away in their Caravans.

Happy Hour was opened by the President Elma who discussed some of the events which were happening at the weekend. She also welcomed our visitor Liz Gordon. The loud conversations continued for a long time.

In the evening to finish off a beautiful day John Nightingale took some nice sunsets.

As we were eaten alive by mozzies on the verandah, some diehards moved into the kitchen area after dinner and played a couple of games of chase the ace.

Friday morning we had a general meeting which was followed by lunch in the local pub. After rearranging the furniture and everyone was seated lunch could begin. Food was very enjoyable and the meals were enormous.

In the afternoon we all got together on the verandah and played some games including a quiz which was organized by Elma. This was interesting and very vocal.

At night several keen members came out and played some games in the Campers Kitchen. Sandra vowed not to sit next to Bert again as he continued to cause her to loose which he thought was very funny! Then off to bed.

Saturday morning we had a bring and share morning tea as there is no café in town. Plenty of food to choose from, enjoyed by all. Chris caught selecting her favorite.

The raffle was drawn and was won by Diane, Congratulations Diane. Then a Committee meeting was held. Next, lunch where some went off to the Pub and afterwards Anna went home, as she had other commitments.

In the afternoon some went to Lake Towerinning to watch the Dragon Boat racing. Very interesting.

At happy hour we had lively discussions. Ben was kept busy with some caravan repairs and Terry's aircon problem was a switch which was accidentally turned off.

In the evening, once again some of us gathered for games in the Campers Kitchen.

While playing Chase the Ace Helen H won the game after ending up on the bus. How lucky is that.

The weather was accomodating, better than the last two rallies. No RAIN!

There was a big turn out this weekend, 28 members.

See you at the Next Rally.
